Dear Joe:

Thanks for the kind words in your
3 September letter.

As you can well imagine, I had much
help, including drafting, for the talk in
Minneapolis. The material does represent factual
(or as near factual as it is possible to get)
treatment of the subject. Judging from a number
of comments received, it needed to be said.

All join in the best to you and Myra.

Sincerely,

C. F. Cabell
